Bringing Nature Home

a free talk by Doug Tallamy

Saturday, April 7, 2012: 10:00 am

Newbury Elementary School, 63 Hanover St, Newbury, MA

LEARN:

- How native landscaping is essential to support the native birds and insects we love to see
- Designing gardens to complement the natural world
- Ecological consequences of conventional landscaping

Sponsored by:
**Parker River National
Wildlife Refuge**
6 Plum Island Turnpike
Newburyport, MA 01950
(978) 465-5753

Doug Tallamy is the author of *Bring Nature Home: How Native Plants Sustain Wildlife in Our Gardens*. He is a University of Delaware professor and the chair of the Entomology and Wildlife Ecology department.
